

2D Small Works Salon 2012

Entry deadline: February 3, 2012

Maud Morgan Arts and the Chandler Gallery announce the **2012 Small Works Salon 2D Exhibition**. The exhibit is open to all Boston-area artists, and proceeds will benefit an endowment for scholarships at Maud Morgan Arts.

Juror

Victoria Munroe, Director of Victoria Munroe Fine Art

Specifications

- Artwork must measure exactly 12" x 12" outside dimensions including the frame, no more, no less.
- 2D entries accepted in painting, drawing, printmaking, collage, photography, and mixed media.
- The work will be displayed in a dense grid to maximize the impact and number of works in the small space. Within these dimensions, the image may be smaller, or full, but the outside dimensions must conform to the specified square format and size.
- Artwork on 11" x 11" paper will fit into a 12" x 12" frame without losing any part of the image.
- If artwork is on a 12" x 12" panel and does not need framing, it conforms to the requirements.
- Work must be from the last five years and must be for sale.
